

Dear Parent / Guardian,

Ten Ten Theatre is an award-winning theatre company with a Catholic ethos working in primary and secondary schools throughout the UK.

We have been invited to spend the day working with your children as part of our rolling programme in **Relationship Education**. It is values-based, rooted in the dignity of the person, and very much intended to support you, the parents, as the first educators of your children. Our aim is to provide resources which support the great work you do in forming your child's development, helping them to live happy and healthy relationships, and deepening their relationship with God.

As part of our visit, we would like to invite you to a session when we will:

- **Perform** extracts from the different plays we are showing to the children;
- **Inform** you about the values and ideas we are teaching;
- **Facilitate** discussion in response to the presentation;
- **Offer** you a free gift - an 80-page booklet to support the work.

Some of you may have experienced a Ten Ten session before, and we receive wonderful feedback about the approach and usefulness of the way we work. If you have attended a session in the past, please do come again because the work is likely to be different, and you will approach it differently as your child grows up. If it is your first time, we encourage you to join us.

It will take place at the following time:

<b>Date:</b>	
<b>Time:</b>	
<b>Venue:</b>	

Thanks for your time. We very much hope to see you then.

Best wishes,  
**The Ten Ten Team**
